Jesus Single Like Me

Jesus Single Like Me by Kris Swiatocho is the theme and Bible Study we will be using at this year's Christian Singles Fellowship Labor Day Retreat. Kris has been in Singles Ministry for over 30 years. She received her Bachelor's degree from North Carolina State University and received some graduate training at Southeastern Baptist Theological Seminary. Kris is the author of 5 books/studies, has written articles for several magazines, owned a design business and is a nationally known speaker to singles groups.

Ms. Swiatocho is the Director of From His Hands Ministry and the Singles Network Ministries. Kris has her own Labor Day Retreat that she has conducted for over 25 years.

Approximately 25 years ago Kris saw a tee shirt that said on the back, "the greatest single that ever lived." The front had a picture of Jesus. This caused her to think about Jesus in the human sense. Jesus Single Like Me examines his feelings, relationships, family obligations, temptations, gratefulness and how he handled them. We don't know much about Jesus' life between 12 and 30. We do know Jesus was fully human and fully God. The Bible deals with his deity and this book gives a glimpse into his humanity. While, Kris is not able to be physically here, her spirit, and study materials will lead us in interesting discussions.

Christian Singles Fellowship is an outreach ministry of the Western Pennsylvania Conference of the United Methodist Church. The mission of CSF is to provide opportunities for singles to share the love Christ through education, nurturing, fellowship, and spiritual growth. Events are open to those who are divorced, separated, widowed or have always been single. All denominations are also welcome.
